School pupils take to the field

Four Sport students had a unique opportunity to set-up their own initiative aimed at increasing sports participation within schools.

The students worked with Horizon Community College to deliver a Year 6 transition initiative designed to help school pupils get involved in sports coaching sessions. The students negotiated the terms of the project, facilitated and evaluated the project.

The sessions were arranged by Sports students Dan Guest, Oliver Connolly, Haydn Ward and Connor Campbell as part of their course which requires them to increase sports participation or reduce inactivity levels within the local community.

Alumni put their stamp on University Campus Barnsley

UCB Art and Design Alumni network, Nar/Then, have found a home within UCB for their artwork.

Nar/Then is a collective of artists comprised of over 70 UCB Art and Design graduates. For the group's first project the Nar/Then members were challenged to create a piece that reflects their own art practice, with the added complexity that it must fit within the dimensions of a postage stamp.

18 artists submitted artwork for the project and these pieces were then placed together in a single frame to create one work of art entitled First Class.
